Lent is a time for spiritual spring cleaning: a time for taking spiritual inventory to of those things which hinder our personal relationship with Jesus Christ and our service to him. Jesus taught us how to do this spiritual cleansing when he fasted in the wilderness for forty days. Learn how use fasting, alms giving and prayer as the cornerstones of our preparation.

“Father in Heaven, the light of your truth bestows sight to the darkness of sinful eyes. May this season of repentance bring us the blessing of Your forgiveness and the gift of Your light”.
(International Committee on English in the Liturgy - ICEL)

How will you prepare yourself this year for the celebration of Jesus' resurrection at Easter?

Father Gary Lazzeroni is Priest Administrator of St. Joseph Parish in Vancouver, Washington. Before he was ordained in June of 2007, Father Gary served for more than 25 years as a lay ecclesial minister in parish and diocesan ministry in California, Oregon and Washington.
